Una grifería a tu medida

Made to fit you

En el baño, que el grifo encaje es más importante de lo que parece. Y por eso en GENE BRE tienes griferías a tu medida con diferentes alturas. Todas fabricadas en una sola pieza, para sumar un plus de diseño y robustez.

Tú eliges: la altura de siempre para lavarte las manos, o una altura media, alta, empotrada o de pie si necesitas más espacio y más comodidad. Para llenar recipientes, lavarte el pelo o darle al baño ese toque de diseño que se nota.

Porque cuando todo está hecho a tu medida, todo encaja.

In the bathroom, getting the tap right is more important than it seems. That's why at GENE BRE we offer customised taps in a range of heights. All are manufactured in a single piece, adding an extra touch of style and durability.

The choice is yours: the standard height for washing your hands, or a medium, tall, built-in or freestanding option if you need more space and comfort. For filling containers, washing your hair or giving your bathroom that distinctive design touch.

Because when everything is made to measure, everything fits.

Soluciones a medida y máximo confort para cada lavabo, ya sea empotrado, sobre encimera, normal o tipo bol.

Genebre: tailor-made solutions and maximum comfort for each washbasin, whether built-in, countertop, normal or bowl-type.
